

## Individual Outcomes - Easy Read Policy

### About this policy

Advance Housing wrote this policy.

We wrote it in an Easy Read way.

We use pictures to help explain ideas.

### Making your own decisions

You have the right to make your own decisions.

This means you can choose what you want.

### You are responsible for your decisions.

This means you accept what happens because of your choices.

You can ask other people to help you decide.

We will listen to the people who help you.

**You will always have the final say.**

## **How Advance Housing helps**

We will

- Try different way to help you make decisions
- Respect your culture and what is important to you
- Support you to plan
- Help you check and change your plan when needed
- Help you use your plan to get what you want

If we can't help, we will find someone who can.

## **If you can't make a big decision**

Sometimes you might not be able to make an important decision.

We will talk with:

- You
- The people who help you

Together, we will try to agree on a Guardian.

A Guardian is a person who helps make decisions for you.

We will always listen to what you want.

### **If your choice might be unsafe**

If what you want could hurt you, we will:

- Help you look at other options
- Make sure you understand the danger

### **We respect your choices**

We will always:

- Respect your decisions
- Support you to live the life you choose
